To Whom It May Concern::

*Mrs. Trena Linders  
Assistant Principal  
9<sup>th</sup> Grade Campus*

On behalf of the faculty and staff of Bradshaw Mountain High School, I want to sincerely thank you for your contribution to the "Every Fifteen Minute" program recently conducted at our high school. Our students and staff members were deeply moved by the two-day experience, which I believe created an indelible image of the horrors associated with tragedies caused by drunk driving. This image will undoubtedly serve as an important reference point in which to make decisions about refraining from driving drunk.

*Ms. Lisa Brackez  
Assistant Principal*

I cannot even begin to understand the incredible commitment of time, money and emotional capital needed to make this program an overwhelming success. However, I do want you to know how much these efforts are appreciated. After the second assembly, I heard many positive comments from the students and staff. I feel confident that this letter of thanks conveys a collective thank you from each of these groups.

*Ms. Eileen Rowe  
Assistant Principal*

Please know that the message brought forth will remain within our hearts and minds for a very long time. We will look for additional ways to reinforce this message on a continual basis. Thank you again for your much appreciated contribution to this program.

Sincerely,

Jim Souder  
Principal
