**LIFE LINE AMBULANCE DONATES FIRST-AID SUPPLIES, KITS TO  
PRESCOTT VALLEY LITTLE LEAGUE**

**PRESCOTT, Ariz.** – Life Line Ambulance, a private ambulance company serving Northern Arizona, has recently donated first aid supplies, such as bandages, antiseptic towelettes and gloves, to the Prescott Valley Little League. These supplies refill the nearly 100 first-aid boxes the company originally donated three years ago.

“Little League is a nonprofit organization,” said Don Huntley, safety officer for the team. “Anything we can get donated means we can put more money into operating the team. We are very grateful for Life Line’s donations of first-aid supplies and kits over the past several years.”

“We are members of the communities we serve, including Prescott Valley,” said Glenn Kasprzyk, Life Line Ambulance’s chief operating officer. “As good citizens, we try to provide what we can to keep our kids safe. These are just small items, but they help the team keep playing healthy.”

Life Line Ambulance is the largest ground ambulance service in northern Arizona. Established in 1956, the company services more than 8,500 square miles in Yavapai County, Coconino County and in the northwest corner of Maricopa County. This area covers both populated and rural areas. Life Line currently has nine strategically placed stations and employs a staff of approximately 200, including paramedics, intermediate and basic emergency medical technicians and registered nurses, along with a support staff of professional dispatch, customer service, human resource, accounting and fleet maintenance personnel.
